NOTE: TEST FLYING is required for all amateur built and 95.10 aircraft. Test flying is an activity requiring serious preparation and sound advice on this subject is given in the FAA AC 90-89A Amateur-Built Aircraft and Ultralight Flight Testing Handbook. This is recommended reading and copies are available from the RA-Aus office for \$10.00 when purchased with the assignment of an RA-Aus registration number (a \$5.50 postage charge is made at all other times).
