TROPHY LIST – NATFLY 2010
“CELEBRATING A CENTURY OF POWERED FLIGHT”

Cummins Spinner Trophy

Aircraft with Best Auto Engine Conversion

- Aircraft powered by an auto engine.
 - E.g. Subaru, VW, etc.
- If you want your aircraft judged for this trophy, please inform RA-Aus Temora HQ when registering, and leave your mobile number so the roving judges can contact you to inspect your pride & joy!

Scott Winton Memorial Shield

Most Innovative Design

- Any aircraft on the ground may be eligible.
- Does not necessarily need to be an aeroplane design.
 - E.g. a past winner was a single seat Corby Starlet where the owner had found room under the cowl to design and fit a small tool box so that he didn't take up space in the cockpit.
- If you want your aircraft judged for this trophy, please inform RA-Aus Temora HQ when registering, and leave your mobile number so the roving judges can contact you to inspect your pride & joy!

Bolly Props: Best Prop & Spinner Combination

The Best Prop & Spinner Combination

- New award for this year.
- May be any type of aircraft.

Longest Distance Flown

RA-Aus Sponsored

- Any aircraft/pilot may be eligible.
- From the pilot's home to NATFLY.
- Trip ***must*** have left home with the initial intention of finishing at NATFLY.
- May be multi-stop as we are an organisation which encourages flying – but most importantly, see bullet above.
- Please ensure you have your log books and/or flight plans and/or other relevant documentation available if you wish to be considered for this award.
