## APPLICANT'S DECLARATION

I AGREE TO THE FOLLOWING

I hereby apply to join Recreational Aviation Australia and to be issued with a membership. I agree to abide by the Constitution and Rules of the Company. I certify that my health standard is equivalent to that required for the issue of a private motor vehicle driver's licence in Australia, and I am able to understand and carry out instructions given in the English language.

I have sought advice from an RAAus examiner (Senior Instructor, Chief Flying Instructor, or higher approval holder) about the prerequisites of becoming an RAAus flying/non-flying member and I understand the risk involved in undertaking recreational flying training (refer to the RAAus Operations Manual).

I certify that subject to the rules of RAAus there is no impediment to me holding any certificate if issued by RAAus. This application is made on the basis that there is no limitation, existing or threatened from any aviation authority in relation to any right I have to operate an RAAus aircraft in Australia. Should that occur I accept that any licence, certificate, or authority granted to me by RAAus shall automatically be equally limited.

As my membership has lapsed for 30 days or more your third party public liability insurance coverage has ceased and RAAus has archived my records. An additional fee of \$22 will be applied to my renewal to unarchive my records. It is important that members renew on time to keep their records up to date and also, more importantly, ensure member's public liability insurance remain intact. I acknowledge that membership fees are non-refundable.
